The screenshot shows the main interface of the Lobox social media feed. At the top, there is a search bar and navigation tabs for 'Top', 'Trending', 'Following', 'News', and 'Articles'. A left sidebar contains navigation icons for Home, Discover, Clubs, News, Articles, Jobs, People, Pages, Schedules, and Messages. The main content area features a 'Pinned' section with profiles of Liam Anderson, Sohrab Niroom, and Ava Harrison. Below this is a 'Top suggestions' section with profiles of James Foster, Olivia Bennett, and Abigail Reed. The central feed displays a post by Sohrab Niroom with the text 'Think outside the box' and a post by Ava Harrison with the text 'As designers, I hold the incredible energy to shape the way people interact with the world around them. Whether it's a sleek app interface, a captivating brand strategy, or a user-friendly website, design is at the heart of every memorable experience...See more'. A large inset image shows a 'Lobox Messenger' app interface designed by Sohrab Niroom, featuring a chat list, a chat window, and a contact info panel.

GNG Token

The screenshot shows the homepage of the GNG website. At the top, there is a navigation bar with the GNG logo and links for Home, Learn, Build, Community, and About Us. The main header features the title "GNG a rising Token" and a sub-header "Incredible to know people can earn NFT token by playing your games A Simple Task can make you reach". Below this is a "Enter Platform" button. The middle section contains four icons representing different blockchain technologies, each with the text "Built on the Cosmos SDK & Tendermint Consensus". The lower section is titled "It's never late to reach the Ultimate Experience" and includes an illustration of a person wearing VR goggles. At the bottom, there is a "GNG Games are Metavers finest advanture" section with a "Play to earn at 2d games" button and a "Take me" button. A small call-to-action box in the bottom right corner asks "Do you want to find out more about Metavers?".

Lobox Feed

The screenshot shows the main interface of the Lobox social media feed. At the top, there is a search bar and navigation tabs for 'Top', 'Trending', 'Following', 'News', and 'Articles'. A left sidebar contains navigation icons for Home, Discover, Clubs, News, Articles, Jobs, People, Pages, Schedules, Messages, and Invite. The main content area features a 'Pinned' section with profiles of Liam Anderson, Sohrab Niroo, and Ava Harrison. Below this is a 'Top suggestions' section with profiles of James Foster, Olivia Bennett, and Abigail Reed. The central feed displays a post by Sohrab Niroo with the text 'Think outside the box' and a post by Ava Harrison with the text 'As designers, I hold the incredible energy to shape the way people interact with the world around them. Whether it's a sleek app interface, a captivating brand strategy, or a user-friendly website, design is at the heart of every memorable experience... See more'. A central inset window shows the 'Lobox Messenger' interface, which includes a list of contacts, a chat window with messages and media, and a contact info panel for Ava Harrison. The bottom of the feed shows interaction buttons like 'Like', 'Comment', and 'Share'.

This section provides a detailed view of two posts from the Lobox feed. The top post is a job advertisement from Lobox Inc. for a 'Software Security Architect' position in San Francisco, CA, United States. The post includes the Lobox logo, the company name, and the location. Below the job details are interaction buttons for 'Like', 'Comment', and 'Share', along with a 'Remote' tag and a '4 days ago' timestamp. The bottom post is a news article from 'www.nasa.gov' titled 'New mars human living base is to disappoint the life style we had'. The post includes a small image of a space scene and interaction buttons for 'Like', 'Comment', and 'Share'. The article text reads: 'New www.nasa.gov update. Includes info about the current planet earth and the cheaper tiers mars, New human base on milky way which I do not like to hear anymore ... See more'. Both posts show engagement metrics such as '214' likes and '124 Comments' for the job post, and '12' likes and '2 Comments' for the news article.
